To the Reference:

The above named person is applying for admission to the Bachelor of Social Work Professional Program at the School of Social Work, University of Missouri and has given your name as a reference.

We seek students who demonstrate potential for academic work as well as commitment to the welfare of all, and especially to the vulnerable: children, people with disabilities, the aged, the poor, and minority members of our society. Our BSW Professional Program is designed to prepare graduates for early assumption of professional social work roles. Desirable qualities include the capacity to assume on-going responsibility for one's own learning, to relate to new ideas and to link them with meeting human needs, and to engage others through a variety of means in identifying and analyzing problem solutions, and high standards of ethical behavior.

Please give us a candid assessment of this applicant regarding his/her suitability for the social work program. You may attach a separate letter with this form, if you prefer. Please give this over to the applicant in a sealed envelope, after you sign across the seal. He/she will include this in their application packet. In accordance with the Family Education Rights and Privacy Acts of 1974 (FERPA), it is possible that an applicant could read your letter of reference. The School of Social Work will maintain the files confidentially unless requested to release them to the applicant under those federal regulations.
